WELCOME TO SAN JUAN GENERATING STATION

ARRIVING BY AUTOMOBILE:

If you are coming into Farmington from Bernalillo, you will be traveling north on Hwy 550. When you get to Bloomfield, you will take a left (west) on Hwy 64 at the first stoplight. When you arrive in Farmington, continue west on Hwy 64 (Broadway Street) through town past the Junction with Hwy 170 (La Plata Hwy), up the hill toward Shiprock. Approximately 12 miles west you will come to a stoplight at the Junction of Hwy 64 and County Road 6800. Turn right (north) and proceed approximately 3 miles to San Juan Generating Station.

Upon arrival at the plant you will check in at the security check point. After checking in, please proceed directly ahead toward the Administration Building on your left. Please check in with the receptionist. If you are going onto the plant site, go directly to the Guard Shack at the front gate and the guard on duty will contact our office for authorization to admit you on plant site. Please have the guard contact our office at Ext. 7876. If you are driving your company vehicle or have a rental, you must have proof of insurance available to drive into the plant, otherwise vehicles must be left in parking lot.

ARRIVING BY AIR:

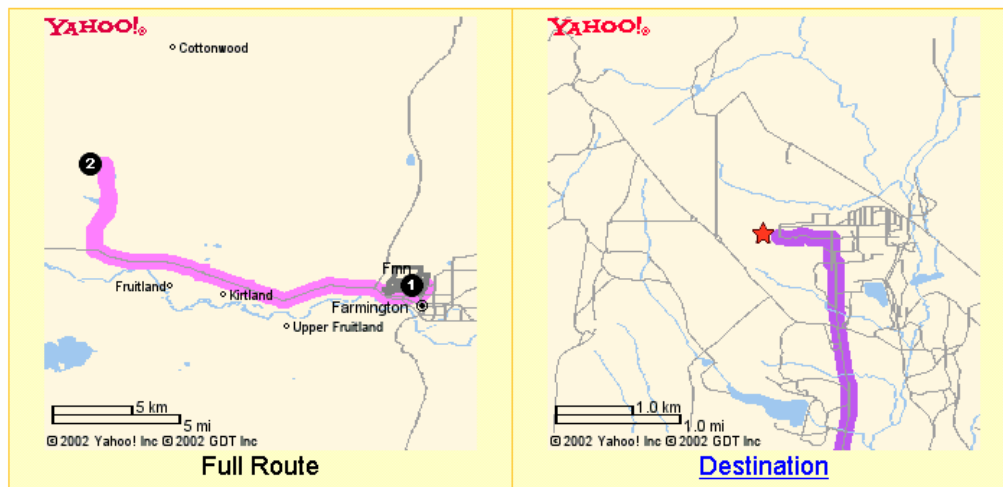

You will arrive at the Farmington Municipal Airport. Proceed east to Municipal Drive, turn right at the stop sign and continue down the hill to the stoplight at Apache Street. Take a right on Apache and proceed to the Junction of Apache and Hwy 64. Take another right at the stoplight heading out of town.

When you leave Farmington, continue west on Hwy 64 past the Junction with Hwy 170, up the hill toward Shiprock. Approximately 12 miles west you will come to a stoplight at the Junction of Hwy 64 and County Road 6800. Turn right (north) and proceed approximately 3 miles to San Juan Generating Station.

Upon arrival at the plant you will check in at the security check point. Proceed straight ahead toward the Administration Building on your left. Please check in with the receptionist in the lobby. If you are going onto the plant site, go directly to the Guard Shack at the front gate and the guard on duty will contact our office for authorization to admit you on plant site. Please have the guard contact our office at Ext. 7912. If you are driving a rental, you must have proof of insurance available to drive into the plant.
